

LIFT Your Team Culture

From Floundering to Flying!

Discover the 4 simple secrets of an uplifting culture that every team needs to know

Would you like to work in a team where people LIFT each other with their thoughts, words and actions? Would you like to work in a place where you can actually feel the positive energy? Would you like to work in a team where people told their family and friends how good it was to work there? This uplifting presentation combines a 'flying fish' metaphor with contemporary best-practice to deliver a powerful formula for building an uplifting team culture. Discover a suite of tools, tips and tactics to help you develop your own LIFT Culture and shift your team from floundering to flying!

You will learn how to encourage team members to

- LIFT their thoughts with **positive thinking**
- LIFT their words with **positive language**
- LIFT their standards with **high expectations** about behaviour and results.
- LIFT their impact though **positive action** that makes them a good role model for others in the team.
