

10 Energising Greetings

by David Koutsoukis

Give other people a lift by using an energising greeting when they ask "How are you?"

Good as gold!

10 out of 10!

Busy and happy!

Top of the world!

Sensational!

Fantastic or Faaaaaaantastic!

I'm going well!

Jumping out of my skin!

Living the dream!

Any better and I'd be
dangerous!

Be Exceptional!
